

Offers below the Starting Price?

Although we have no automated way of accepting offers below the Start Price, we realize that a lot is only worth what a buyer is willing to pay for it. We therefore will take any and all offers to the seller of the goods. If you wish to make an offer which is below the Start Price, simply email the offer to the administrator admin1@easy-xs.com. Be sure to include the listings title and the amount of the offer. Easy Excess will approach the seller and have a response returned within 24 hours.
